

May Edition 2010

Volume I

SEASON 2010

Firstly I would like to congratulate **Patty Cadd** & **Luke Smith** who represented the MPNFL interleague side. Bad luck to **Forta** who missed out due to some niggles with his body, hopefully the break serves you well.

The medico's have been in high demand week in week out. Our injury list never seems to get any lighter but with that it opens doors for our Magoo's. This season has a familiar feel about when **Forta** coached us to the flag in 2008. There were very encouraging signs with the hunger & passion back against the Bulls (rd5).

I like how the MPNFL tipsters/chairman's never seem to pick us & the general public thinks we are finished. Bahahaha I say! At the start of the season I was cursing the MPNFL/VCFL for changing the dates of the interleague match to the middle of May, but NOW I'm pretty happy. Even though I miss out on the chance of giving, **Krazz**, **Scotty K** & **Cal Date** a whopping around Barnbougle Dunes Golf Course on Queens Birthday weekend, it will be great timing for our seniors to get a fitter & stronger side out on the park.

Congratulations to **Havers** (Debut Rd 2 & BOG) & **Sammie Lonie** (Debut Rd 4) for making their Senior debuts during this time & as well In the coming matches we have some very loyal, champion players reaching some personal milestones.

Great start to the Magoo's so far who are sitting 2nd on the ladder & have already given the opportunity for 34 players to pull on the tigers guernsey. Even though **Jules** swears too much, the new leaders are doing a fine job trying to fill **Lukey Smith's** shoes.

Pricey & **Phil Taylor** have helped lift the standard & discipline of the Unders this season. Our Unders are flying at the moment being 5 & ZIP & Phil's boys have struggled for numbers in the past few weeks but their efforts with the players they have hold the club in great stead for years to come.

Hats off to **Mulvogue posse** for organizing the function last week! The band were terrific & a super night was had by all. We had over 100 people in attendance for our 1st player function & it was a great to see players from all sides, volunteers and supporters together on the night.
