Volume 3

SENIOR HALF YEAR SUMMARY

It has been an interesting first half of the season. After nine rounds the senior side sits in fourth place on the ladder with 5 wins and 4 losses. We started off slowly and with YCW as our first up opponents, we were given a wake up call. This was a blessing for us and although we were inconsistent for the following four weeks against Chelsea, Edi Asp, Pines and Karingal, there were plenty of positives to be seen. Despite losing to Pines at Pines, in the last quarter we were down to 17 men and a long way behind. The players resolve in that last quarter was the first real sign that this year wasn't going to be wasted. We then travelled to Karingal and played some great football. It would be remiss of me to not mention Darragh Chadwicks debut which was SIMPLY AMAZING! The "wild one" played the game of his life and gave the whole group a lift. We ended up losing a tight game, but again the signs were there that Seaford were not a thing of the past. On this day Tom Shaw also showed us what an exciting future lays ahead for him.

We followed these two games that were full of positives by playing Mornington at home and we got the result that the previous weeks had indicated was coming. Next was an away game at the paddock in Bonbeach on the worst day for footy that I have seen. It did not stop raining, it was pitch black and absolutely freezing. Again the boys showed incredible passion and commitment for one another and eventually the game cracked open due to our relentless approach. We kicked seven goals in the last quarter and walked off with what I thought was the best win the club had been involved in during a home and away round since I have been involved at the club. This day also saw Jake Smith make his debut and he had a ripper!

Unfortunately we followed up with a loss against Mt.Eliza at home after giving up a six goal lead at qtr time and hitting the front at the start of the last qtr. This however was another learning curve for our new group. Disappointing...but beneficial to our development! We finished off the first half of the season with a hard fought 4 qtr effort against Langwarrin away. It wasn't pretty at times but again our endeavour and intensity was outstanding.

This has us 6 points shy of the coveted double chance (top three). There has been many positives with guys from the Reserves coming through from last year and all coping extremely well at the higher level. We are still a fantastic group, but we are a new group, with seven new faces in our side for the majority of the first half of the season. Over the last four games we have won three and shown great signs of a list that is beginning to understand each other and there is a belief and passion for one another that comes with playing together over a period of time. I believe that the second half of the year will be an incredibly exciting time for the club and with our focus on earning the respect of our team mates, there is no doubt that we will fight to the death in every contest for every minute of every game.

Go the mighty Seaford!!

Reserve's report

Mid point of the season and the Reserves have currently used 40 players and sit 2nd on the ladder with a 7-2 record.

● **Glen Nestor, Dylan Crump, Rory White, Craig Mulvogue, Sean Burks & Tyson Horton** have come up from the Under 18's and have had solid starts to Open Age Football. It is good to see how they have worked hard to gain spots in the side and with this attitude it will stand them in good stead for the rest of the year.

● **Havers, Jake Smith, Sam Lonie, Darragh, Azza Turner & Pete Azzopardi** have all tasted senior experience this year and acquainted themselves very well when given their chance. Hopefully more guys will be given an opportunity through hard work and good form to prove that they are capable of senior football on a regular basis.

The mateship this group has shown in such a short period of time together, has been the cornerstone for them having such a solid start to the season. Leadership from **Jules, Tom Scott, Cal, Shorty, Mitchy & T-Low** has gone a long way to helping the side come together so quickly.

The 2nd half of the year will continue to throw up challenges to the group, which I'm confident we will all meet head on as we have in the past.

To all members & supporters; come along and give this group all the support you can, as this is the future of the football club and in doing so you will see a great brand of football being played by a young and exciting group of young men.

Under 18's report

The 18s have had a great start to the season 2010 because we have had a great pre-season, we've trained hard and we all work as team, training hard two nights a week and having a recovery session on Sunday mornings has been very good to get to where we are now.

Having a new coach Darren Price has been very good. He is a great bloke and gets along with everyone, every session everyone's having a laugh with him, he has been a great coach to get us where we are now. As a team (players) where all mates we train as hard as we can the drills we do at training are excellent have a good set up of warm up drills and we do a mixture of footy drills.

Our team runner Tee and coach Pricy have great knowledge of skills and drills. They have been working well with game plans for match days. The 18s have the best leaders for the team, Co captains Liam davenport and Peter Murphy. They give the speeches before a game, their captaincy on the ground is excellent, their both great footballers, have great skills and hardness, their true captains and everyone on the team is happy to have them as our Co captains. Our vice captains are Beau Cannon, Luke Jones, Rhys Cuthbertson and Cameron Gates. These guys are the hardest, toughest footballers there is in the league. They are smart footballers and are a great part of the team. All up our captains have done a great job thus far and have been a clear indication of why we are sitting on top of the ladder at this stage.

Hopefully we can continue to keep playing a team brand of the footy for the 2nd half season & that way the results will take care of themselves. Carn Tiges!

Under 18'S Colts

At the halfway mark of the season 2010 the numbers and commitment of all players has been outstanding. This season the under 18's and Colts have trained as One group which has lifted the skill level of all players.

Unfortunately due to lack of numbers each week the colts have had to battle against stronger teams. No one, however, can question their the courage and or the team spirit.

The numbers of rotation to the under 18's shown this fact because when they have been rotated to the under 18's they played their part. Also a number of under 16's have helped out this year. All have played well when they have played for us.

The future looks outstanding for the under 18"s Colts with a large amount of 1st year 18's and also the under 16's that have stepped up.

All these lads should be congratulated on their efforts so far.

SEAFORD/MPNFL LADIES DAY 2010

Another fantastic Ladies day was arranged by **Jane Marshall** against Mt Eliza. We had over 60 ladies attending the event which saw the Club raise \$800 for the Cancer Council.

Not only did Jane run our day but she also played a major part in the MPNFL ladies luncheon which was held at the Sandhurst Club. Another successful event saw the league raise \$4500 for the Cancer Council.

The Seaford Football Club is very lucky to have such a person involved @ the Club.
