

Connecting with the Community

Attention all MPNFL clubs!

The **LOCAL FOOTY SHOW** will be covering the MPNFL every week this season. We invite you to share your news, your stories, your milestones, your history and your upcoming events.

This brand new show, from the producers of the popular *Southern Footy Show*, will cover all leagues, both metro and country, **twice a week** on Channel 31.

The show will screen on **FRIDAY NIGHTS** at 7.30pm (one-hour version) and **SATURDAY MORNINGS** at 9am (90-minute version) and we want your involvement. This is **YOUR SHOW** to promote your club and your league.

Weekly match highlights will also be shared around the leagues (we are planning to cover the Sorrento v Rye clash on Anzac Day).

The aim of the new show is to promote grass-roots, community football in a positive and entertaining way. The show will include match highlights, high-profile guests, stories, interviews, league updates, viewers' competitions and much more. If it's happening in local footy and it's interesting, we would love you to share it with us and our huge viewing audience.

Sponsorship packages are also available, presenting the perfect opportunity to expose your sponsors to anywhere between 80,000-120,000 viewers every week.

Watch out for our comprehensive new website to be launched in the coming weeks. Until then, further details can be obtained by calling
Daryl Pitman on 9547 0909 or 0418 557 136.
