Anthony Agius
Seaford Football Club

Dear Anthony,

Thank you for your letter regarding the Seaford Football Club providing assistance to bushfire victims in Kinglake. The tragic outcomes of Victoria's bushfires have had a profound impact on us all and Grenda's has received many approaches from individuals and organisations to donate coach services.

As a company, we are making a \$50,000 contribution directly to the Red Cross on behalf of all Grenda family companies through the Grenda Foundation.

To date, Grenda Transit Management has donated on-going coach services in excess of \$65,000 to move CFA volunteers and staff from other charitable organisations to and from fire affected regions. We also provide full support to a number of our own staff who are fighting the fires as members of the CFA. In addition to this, each of our six depot locations are collecting cash donations from staff to go to the Red Cross Appeal.

Due to the volume of requests for coach donations, we are unable to assist with your request to provide two coaches free of charge. Our charter officer has provided me with a quotation which comes to \$1180 (inc GST) per bus – total: \$2360. The best we can do on this occasion is meet half way and give you one bus free of charge if you are able to pay for the other. If this is possible and you wish to book, please let me know ASAP.

We wish you all the very best with your fundraising and charitable efforts for this cause.

With kind regards,

A handwritten signature in black ink, appearing to read 'Sarah Saunders'.
